

## Writing Services FAQs and Policies

### What am I buying?

You are buying a one page, single storyline, write up for a unique escape room idea.

### What's in the write up?

In the write up will be the narrative of your game with the end goal. There may be beats for the flow of the game, there may be important puzzle elements, but my focus is to create a unique narrative for you to build upon.

### What if I don't like it?

Not everyone will love everything I do, that's only reserved for my grandmother. Sooo... If you don't like something I wrote, think of it as a jumping off point for you to fill in the blanks.

### Will there be puzzles?

Perhaps. If it is relevant to the main storyline, I may include some game flow. We do work with a number of companies that will be happy to assist you with filling in any necessary builds or products for your room. Just reach out and we can lead ya in the right direction.

### Can I resell these ideas?

Please don't. I won't know, or maybe I will, but I wouldn't if I were you.

### But I'm a builder! What if I want to provide material to my clients?

Oh, you're a builder that wants to explore how I can work with your company to produce unique ideas for your clients? **Heck yea!** I would love to chat. Use the form in the footer of our website to contact us or shoot an email to: [info@escaperoomvideos.com](mailto:info@escaperoomvideos.com). We would love the opportunity to work with you!

### So, do I really not get any revisions on this?

No. You really don't.

These are standalone ideas that once put on paper, are final. If this isn't something that fits into your needs, no problem! We have written full fleshed out games and would be happy to work with you on something that's more in-depth and tailored exactly to your needs. And again, if you need other assistance in standing up this game, we got you covered.

### When will I get my script?

I write on Thursdays and Fridays and will deliver a one page .pdf to your inbox by Close-Of-Business the Friday following your order. If for any reason, you do not receive your script then, please give me until COB the following Monday. If you do not receive your script by then, call the police. Someone has murdered me.

**Will anyone else have this storyline?**

No. These are all uniquely created ideas that will never be sold to anyone else. If they do, it didn't come from me.

**What if I have questions, can I reach out?**

If your questions have not been answered in this Doc, you can shoot us an email at [info@escaperoomvideos.com](mailto:info@escaperoomvideos.com) and someone from our team will get back to you. If you need something more custom than this grab-bag style product, we will be happy to upgrade you and discuss your individual needs.

**What's up with the rating thing? And other options?**

While I do feel confident I can write for any genre or audience, I would love to have some direction as to what your particular need is. Buying this product from ERV is an experience. Think of it like a vending machine of ideas. Always changing, never the same, wholly unique. BUT you get to order the type that you want! Just let us know! Is this a family friendly room? A horror theme? Do you want the most terrifying room ever written or a fun romp that's suitable for the whole family?
